Dear Parents/Carers,

We have great pleasure in sharing with you the news that 'Her Majesty's Chief Inspector is of the opinion that the school no longer requires significant improvement' therefore we are no longer in a category, which is brilliant news for the whole school community. This judgement was reached as a result of our inspection just before the half-term break. We are now judged as satisfactory overall with some good elements. This is exactly what we expected to be judged at as we need to improve our 3 year trend in data before we can secure a good judgement overall.

The report recognises the improvements made and what we need to do further to improve. We will therefore be working even harder to address all of the issues raised.

I would like to thank you on behalf of the whole staff for your continuous support and for the high number of positive comments received through the parent questionnaires.

Yours sincerely

Mrs K Jaeggi
