Dear Parents/carers,

We are delighted to be able to share with you the great news that Worcesters Primary school is now judged an Outstanding School. The inspection team from Ofsted found that we were outstanding in all areas;

- Achievement of pupils
- Quality of teaching
- Behaviour and safety of pupils
- Leadership and Management

As all areas are judged at the same level the school's overall effectiveness is also Outstanding.

All staff at Worcesters have worked exceptionally hard to improve all aspects of the school's work since the previous inspection in May 2011. The progress made has been rapid and exceptionally effective resulting in Worcesters now being judged as Outstanding.

I would like to thank you all for your continuous support and encouragement. I know you will be proud to share this great news with your friends and family.

Yours sincerely

K Jaeggi
