

How to check the internet history on Internet Explorer

- 1) Open up **Internet Explorer** by clicking on the icon. The icon usually is found on the task bar or on the start menu shown in the picture on the left.

- 2) Once **Internet Explorer** is up and running, click on the star in the top right corner and select the **"History"** tab. Here you can view the internet browsing history and the day which they have been accessed.
